Whether you are an educator, industry representative, student, or just have an interest in any of the areas of graphic communications and imaging technology education, **GCEA** offers lifelong opportunities for professional involvement.

Among the activities sponsored by **GCEA** are an annual conference, a comprehensive publication program, industry liaison programs, and resource networks.

GCEA fosters career awareness by promoting Graphic Communications Week, assisting Boy and Girl Scouts with their merit badges and interest projects and recognizing success through Gutenberg Student Awards.
